## DID YOU KNOW

The Australian Round Dance Association (ARDA) is a national organisation established for the betterment of Round Dancing.

ARDA was formed

Conferences have been held since 2012, with the first Conference held in Hobart. They are generally held preceding a National Square Dance Convention so that members can make the most of their time in the Convention location.

ARDA, when possible, endeavour to bring to these Conferences International Cuers. The idea of the conference is to increase time for education for both the dancer and cuer, time which is usually not available at the National Convention. Emphasis is on the learning and teaching experience for both dancer and cuer.

The cost for non-members attending this Conference includes the cost of one year's membership and, provided you renew your membership, will continue to make you a member for future conferences

ARDA is now offering to State Associations who hold either a Round Dance Festival or Teaching weekend a financial incentive for current ARDA financial members.

Incorporation for ARDA will provide the safeguard of protecting members and this should be available after 2025.
