Wow! All that life could throw into our 'dance' paths came when Covid-19 invaded our everyday life as we had known.

I say the pandemic 'invaded' our lives as it encroached our very way of living; brought us to heel, impacted the freedom we had become used to and how we choose to live our lives doing what we enjoyed without question..

If anything, Covid-19 gave us time to reflect on the many aspects of daily living we had taken for granted.

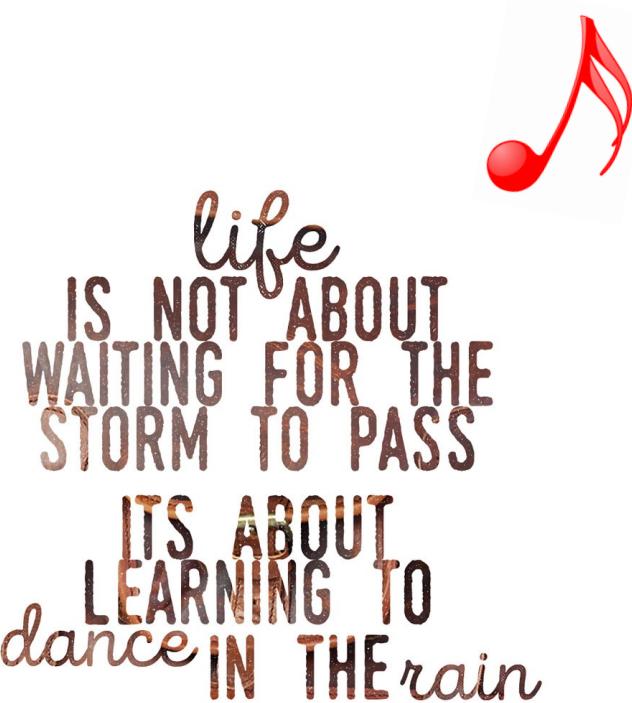

Freedom to do as we wished.

Freedom to round dance.

Freedom to choose whether to attend functions intra State, inter State or OS.

With the expectation vaccinations will help us to resume Life as we knew it, grab the opportunity to support the events being structured for YOU and conducted with all requirements being adhered to, and

## PELICAN PROMENADERS, Central Coast, NSW

*Anne Glazier writes*

We are starting up our Round Dance Club on Wednesday afternoon 3rd February, at Berkeley Vale, NSW at this point in time, with a few beginners as well as those who joined us last year

Previously we had been running a club on Tuesday night at the Anglican Church, Woy Woy, NSW and the afternoon club at Berkeley Vale, NSW.

When the COVID 10 outbreak occurred, we were no longer able to dance as you know. The Anglican Church at Woy Woy took this opportunity to do some renovations to their hall and we were unable to use it even when we could dance again (masked up).

So consequently at this point in time, we will be dancing at Berkeley Vale only. **(15 Lorraine Avenue**, for those who might consider joining us!)

One of our dancers is learning to cue and will be able to give me a hand when needed.

We are also considering a 50/50 Sunday afternoon dance (4th Sunday in the month) at the same venue.

That's all the news as the moment. The holiday time has gone so fast and we can hardly believe it is 2021 already.

Happy Dancing and Cueing

## ARDA MANUAL UPDATE

Courtesy of Christopher Heyworth,  
Vice President and Historian

The new ARDA manual is progressing more slowly than I had hoped, but it was expected to be a large project that would take a considerable amount of time. As a consequence of the manual, the ARDA constitution and by-laws will also need to be updated to reflect what is in the manual.

This year the AGM will be run in a similar manner to last year and this process has been formalised into its relevant parts within the manual.

There are several groups looking at different sections of the manual that are relevant to their roles within ARDA, rather than having me deal with all the different parts of the manual.

Hopefully co-ordinators of the different sections (Meetings & President, Education, Financial) will gradually get their areas in a written format.

WE ARE LOOKING FOR A VOLUNTEER WHO CAN PUT THE INDIVIDUAL POLICIES INTO A CONSISTENT FORMAT USING WORD. THEY WOULD NOT HAVE TO WRITE THE POLICIES, JUST FORMAT THEM TO A CONSISTENT APPEARANCE.

IF YOU CAN HELP, LET EITHER CAROL or MYSELF KNOW.  
YOUR HELP WOULD BE EXTREMELY APPRECIATED.

Chris Heyworth.  
Vice President & Historian

*Thank you Christopher  
for keeping the ARDA  
members up to date  
and for all your efforts.*

Please consider sharing your club details, events you are planning with your fellow ARDA members.

The ARDA Newsletter can certainly be stretched to include your NEWS.

## **ANNOUNCEMENT ON FUTURE NATIONAL CONVENTIONS FROM THE AUSTRALIAN NATIONAL SQUARE DANCE CONVENTIONS (ANSDC) BOARD Inc.**

Due to the current Coronavirus pandemic, recent cancellation of two National Conventions and the uncertainty of timeframes for recovery, the ANSDC Board has been working towards a plan for Nationals over the next few years.

### **2021**

The Darwin National was cancelled due to future uncertainty, giving dancers time to adjust their plans. There will be no National in 2021.

**\*\* Planning has commenced for 2022 ANSDC to be held in Goulburn NSW**

### **2022**

This National was originally scheduled to be held in Adelaide. Due to a small dancer base in SA and the fact that they would rely heavily on dancers travelling and crossing borders, the committee have requested that the ANSDC Board look into alternative locations for 2022 to allow a state with a larger population of dancers to host this convention. This would allow for maximum attendance at our first convention coming out of the pandemic.

The ANSDC Board have understood and support the committee's request and have a working team investigating possible locations on the east coast and perhaps a modified format for our 2022 convention. Constant changes in Covid information and health and safety of dancers is top of mind and will make planning a challenge but we are confident that a National Convention will be held in 2022.

### **2023**

Adelaide will now host the National Convention in 2023. Updated details will be communicated as the ANSDC Board and Adelaide convention committee work through the changes

### **Future conventions**

NT and QLD are still planning on hosting conventions in the years ahead and the ANSDC Board will advise in due course of the relevant details and dates.

All of this is reliant on trends in infection reduction, National and State regulations/restrictions, effective suppression and vaccine development continuing in a positive direction.

Should there be a change in any of these circumstances, the ANSDC Board reserves the right to revisit the scheduling decisions based on the health and safety of dancers.

We certainly appreciate the disappointment in recent cancellations and uncertainty that clouds the future. The ANSDC Board were consulted and fully supported the decisions made by the Blue Mountains and Darwin committees in keeping our dancers safe.

The ANSDC Board acknowledges the important role that National Conventions play in the future of Square Dancing as well as the importance of keeping all dancers informed of decisions and relevant information as it comes to hand. More information will be made available as soon as plans develop for our future conventions.

If you have any questions regarding scheduling of Nationals, please direct them to:
